## Yorba Linda Council Sets Up New Environmental Study Committee

YORBA LINDA — Councilmen voted Monday night to set up a 26 member Environmental Control Committee which will be divided into five sub-committees.

Each sub-committee will have its own area of study. Councilmen requested that any persons interested in serving on the committee contact the city hall for an application.

Five members were appointed to the newly formed Horse Committee. They are John Gamblin, Nancy Stuewe, Pete Conway, Bill Dieterle, and John McIntyre. They were appointed

for a one-year term or until the city appoints a Parks and Recreation Commission.

Councilmen defeated a proposal for an urgency sign ordinance to replace the present one which expires on February 15. Because of the defeat public hearings will be held on a new ordinance in the next few months.

Councilmen accepted \$300 from Mayor George Machado to pay the salary of a public relations intern from Cal State Fullerton until May.

The deadline for the report of the ad-hoc Horse Study Committee was extended until March 1 because the committee secretary was out of town.

## Orange County Community Services Project To Be Located in Placentia

PLACENTIA — This city has been chosen by the Orange County Probation Department as the site of a unique pilot program, the Community Services Project.

According to County Probation Officer Margaret Grier, the project was conceived to allow people in a community to express their problems and needs in county services and to suggest solutions to these problems.

She commented that to test the idea they felt that the county should combine all departments and concentrate on one city.

Placentia was chosen from among fourteen cities which had expressed an interest in the program because of the interest in and enthusiasm expressed by local residents and community leaders.

An office will be established in the city with three staff members. Ann Feyh, public health nurse with the health department; Bruce Sandie, probation officer;

and Saul Stolzberg, a psychiatric social worker.

Placentia Mayor Robert F. Finnell commented, "The city felt that any project to make people problems more cost effective was welcome. We are pleased to be part of this forward looking program."

The project is scheduled to run 30 months with a budget of about \$300,000.

### Digesting The Facts About Digestive Disorders!

When people who have recovered from some digestive disorder through chiropractic care meet with other people having a similar disturbance, the person now suffering is usually urged to consult a Doctor of Chiropractic. Under such circumstances the question is sometimes asked, "How could a Doctor of Chiropractic help my indigestion by working on my spine?"

Dr. Donald Brinkley

In answer, we contacted Dr. Donald Brinkley of the Brinkley Chiropractic Centers.

"The spinal column is just the Doctor's of Chiropractic avenue of approach. His purpose is to restore normal action to spinal nerves whose branches distribute to various parts of the body.

"There are," stated Dr. Brinkley, "many daily activities of life that could result in vertebrae slipping from normal position. When displaced vertebrae interfere with normal action of spinal nerves, then there can be disease in the affected nerve or in the organ to which that nerve distributes."

"In aiding a sick person to recover health," continued Dr. Brinkley, "the spinal column becomes the Doctor's of Chiropractic avenue of approach. His purpose is to remove interference with spinal nerves and permit nature to re-

store health to the part to which the affected spinal nerve distributes."

According to Dr. Brinkley, in discussing digestive disorders one can overlook a very common cause for "indigestion" if he overlooks the fact that some branches off spinal nerve trunks help regulate circulation to digestive organs and other branches off spinal nerves influence action of muscles found in the walls of the digestive organs.

"Vertebrae subluxations," Dr. Brinkley states, "can interfere with the action of these nerves. Vertebral subluxations can be the cause of digestive disorders." That is why Chiropractic care, by correcting vertebral subluxations, can set the stage for recovery from "indigestion."

Many thousands of people who have been victims of digestive disorders are grateful to chiropractic for the recovery of health.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

## Advice Offered On Tax Returns

(Editors Note: This is the second in a series on ways you can save on your income tax return this year. The articles are written by Henry Block, President of H & R Block, Inc.)

Death, divorce, or desertion create certain common problems in the payment of Federal income taxes, and there may be special tax filing rules for those affected. For tax purposes, a person who is legally separated or divorced on December 31 of the tax year is considered unmarried for the entire year. In addition, a spouse who has been abandoned will be considered a single person if he or she maintains his or her home for more than half the year for one or more dependent children and the abandoning spouse was not a member of the household during the tax year. Now the single status makes such a person eligible to file as an Unmarried Head of Household.

### CHILD CARE DEDUCTIONS

A divorced woman, widow, single woman or deserted wife with custody of her dependent children can deduct the costs of child care necessitated by her absence from the home while working or seeking gainful employment. The tax code allows a deduction of up to \$600 for one child or \$900 for two or more, assuming that the children are under 13 years of age or if over 13 are physically or mentally incapable of caring for themselves. There is a possibility of a child care deduction for the working wife.

### EXEMPTIONS

There is also a difference in the handling of exemptions in the case of divorce or death. One spouse cannot claim the other as a dependent in any case! On a joint return both husband and wife are regarded as being the taxpayers and each is allowed his own personal exemption (plus possible additional exemptions for age and blindness). Thus, if you were divorced on December 31, you cannot claim an exemption for your former spouse even though you may have supported that spouse for 364 days of the year, since you are not allowed to file a joint return. If, however, your spouse died during the year and you did not remarry before the end of the year, you would be able to file a joint return for the year of death, claiming the personal exemptions and any deductions or credits which would have been allowed to your deceased spouse.

### ALIMONY

Alimony payments or

separate maintenance payments may be deducted by the person making them if they are made according to the terms of a divorce decree, separation agreement or a written agreement connected with a divorce or separation; and if they are made in the discharge of the marital obligations (not repayment of a loan from one spouse to another) and are paid periodically for at least ten years or until death or remarriage of the spouse. Alimony payments may only be deducted if the taxpayer itemizes his deductions on Schedule A. Such deductible alimony payments must be included as taxable income on the tax return of the recipient on Schedule E (miscellaneous income).

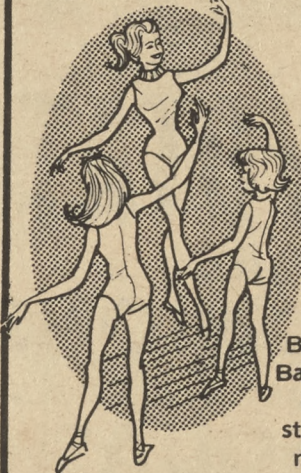

### BENEFITS IN DEATH

When a husband or wife dies, there are some tax benefits available to the surviving partner. If your spouse died during the year and you did not remarry, you may file a joint return with your deceased spouse assuming that you would have been eligible to file a joint return with him had he lived.

In certain cases your tax benefits resulting from death may continue for another two years. If you are a surviving widow (widower) with a dependent child, you may be able to use the filing status of surviving spouse for the next two years. For these two years you will be able to use the tax rates which apply to married persons filing joint returns, but you would not be allowed to claim a personal exemption for your deceased spouse. For any subsequent years, you may be able to file as a Head of Household assuming that you are still maintaining a home for a dependent.

## Fullerton W.T. Grant Store Opens Thursday

The newest W.T. Grant store will open Thursday morning, February 4 in the Crossroads Shopping Center at Yorba Linda Boulevard and Bradford Avenue.

Joining the chain of over 1,100 stores from coast to coast the new store will stock a wide range of goods and services for every member of the family.

Under the same roof Grants provides a family fashion and apparel store, a housewares and home needs

store, a smallwares and appliance store and a hardware store. Here customers can find everything from safety pins to the latest in home electronic entertainment equipment.

Among the exceptionally fast growing segments of the company's expanding lines of the merchandise and services are women's fashion apparel, automotive service centers, food service restaurants, garden

shops and major appliances.

A nationwide network of depots to stock, deliver and service the company's Bradford line of major appliances and home entertainment equipment has been established by Grants.

The newest store, with many thousand feet of counter space, bears no resemblance to the first Grants opened in 1906. The merchandise is carefully selected from experienced,

reliable manufacturers with quality rigidly supervised and controlled by Grants quality control department. There has, however, been no change from William T. Grant's concepts of the highest quality and greatest value at the lowest prices.

### Credit Application Being Accepted At W.T. Grant

Thomas Altergott, credit manager of the new W.T. Grant store due to open in the Crossroads Shopping Center tomorrow, has been accepting credit applications and opening accounts for some time now.

Surrounded by carpenters and builders getting the store ready for its opening, Altergott has been opening accounts even though the store is not yet open. Accounts can be opened by telephoning 524-3890 as well as by applying in person.

According to Grants officials nearly two million families already have the convenience of a credit account in 1,100 Grants stores from coast to coast.

When application is made all facts concerning the cost of the credit account will be made available to the customer.

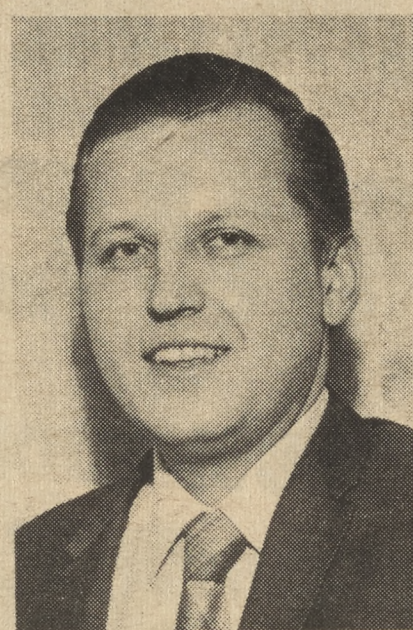

## Simanis, Robb, Keeran To Head Grant Store

A three man management team headed by store manager Edwin J. Simanis will operate the new W. T. Grant store due to open tomorrow in the Crossroads Shopping Center on Yorba Linda Boulevard in Fullerton.

Simanis is a ten-year veteran with Grants and has spent the past seven years based in Orange County. Prior to coming to the Fullerton Store he spent 2½ years as regional hard lines

merchandise covering the 12 states. Prior to that he was manager of the Huntington Beach store. Simanis, a graduate of UC Berkeley, recently moved to Placentia with his wife Susan and daughter Lori.

Assisting him will be Edward L. Robb Jr. as operations manager and Gary W. Keeran as merchandise manager. Both have been with Grants five years. Robb, who recently moved to Yorba Linda, comes from the Huntington Beach store while Keeran, a Ontario resident, comes from the Colton store where he was manager.

### Eight Stores Now Open At Crossroads

With the opening of the new W.T. Grant store in the Crossroads Shopping Center at Yorba Linda Boulevard and Bradford Avenue tomorrow morning there will be a total of eight stores in operation in the center.

Major tenants now open include Ralph's Grocery Store and Thrifty Drug and Discount Store.

Other stores include Perry's Liquor Store, El James Ltd. mens shop, Wisner Shoes, a Carls Jr. hamburger restaurant, a branch of the Security Pacific National Bank, and Cross-Blades Barber Stylist.

The management team at the new W. T. Grant store include, from left, Edward L. Robb Jr., operations manager; Edwin J. Simanis, Store manager; and Gary W. Keeran, merchandise manager.

## Grants Has Grown Since First Store Opened

In 1906 William T. Grant, currently Honorary Chairman of the Board of the W.T. Grant Company, invested his life savings of \$1,000 to open a store in Lynn, Massachusetts. From this modest start has emerged the nationwide network of W.T. Grant

general merchandise stores. Today, the Company operates more than 1,100 stores and is actively pursuing one of the most dynamic store expansion programs in the entire Retail Industry. In 1969, 52 new shopping centers or free standing stores were

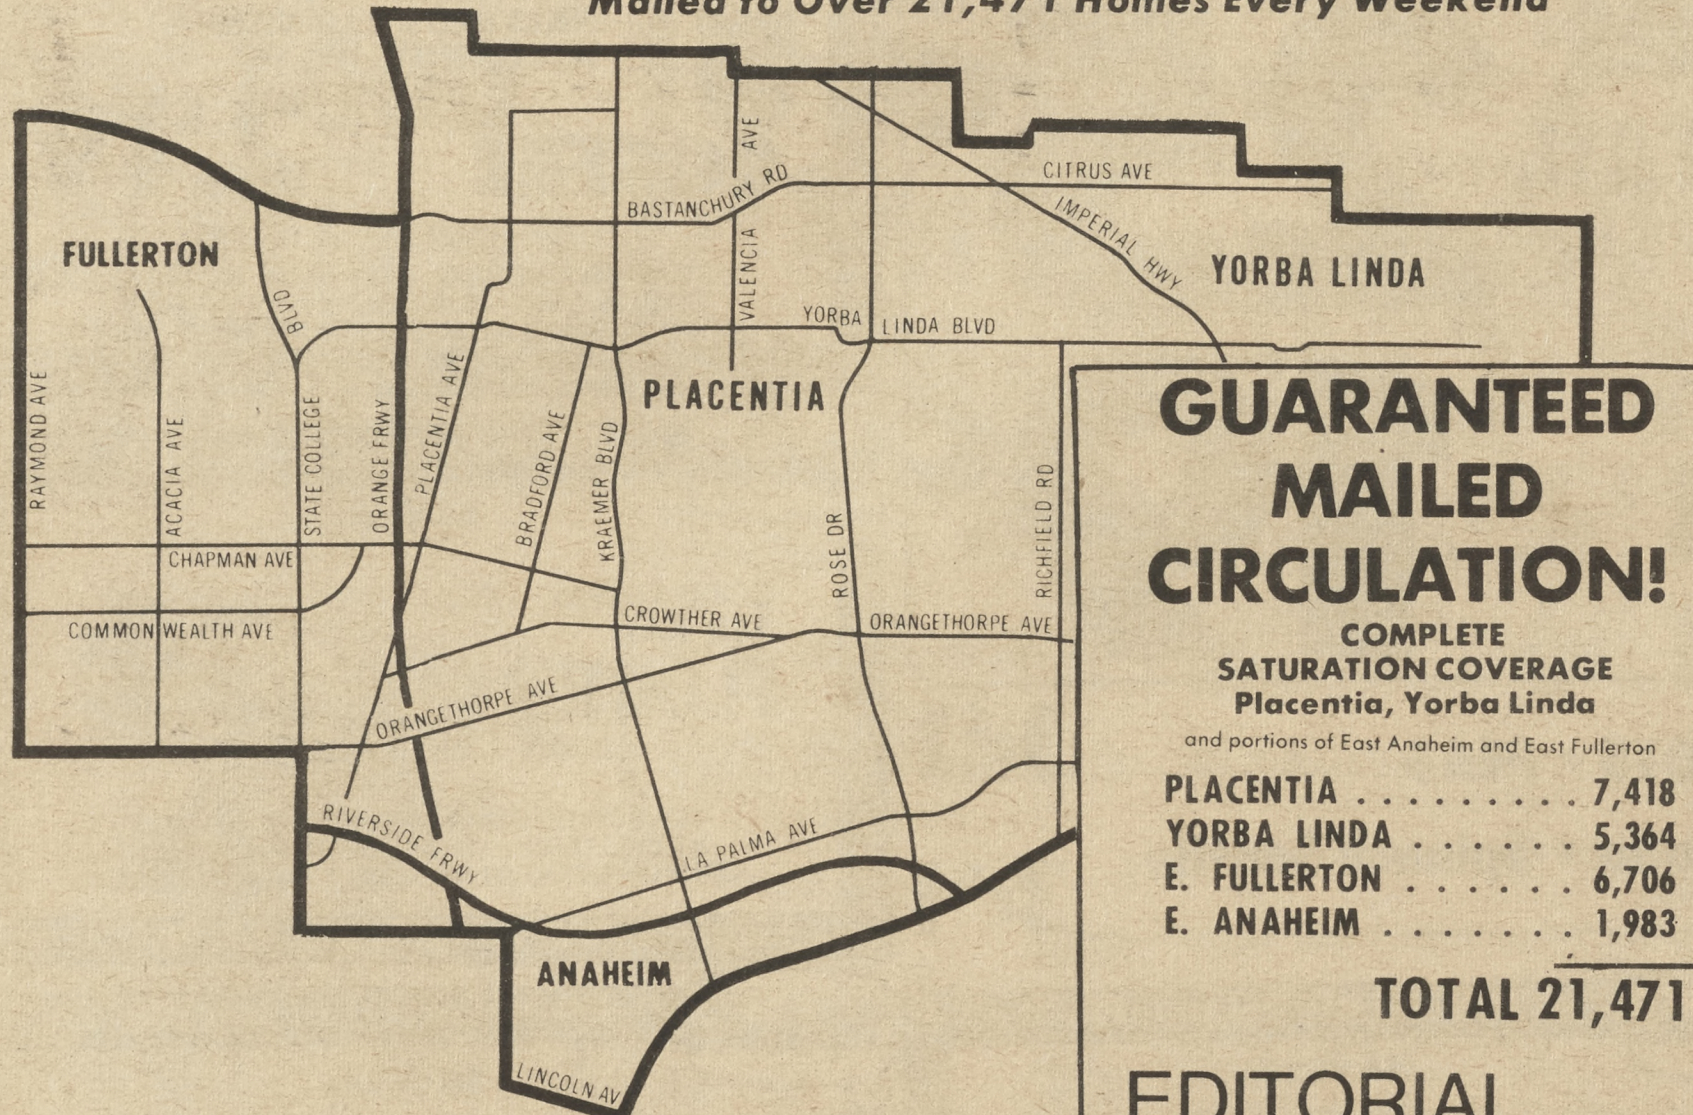

opened and 4 successful stores were enlarged.

Grant Company 1969 sales volume hit an all-time record high of \$1,210,918,068 surpassing the firm's 1968 sales volume by 10.5%. It marks the 20th consecutive year of record sales. For the 6th straight year profit

performance also moved to new highs. Earnings per share increased to \$2.99 in 1969 compared with \$2.71 in 1968.

The Grant Company has enjoyed a sales increase in every year of its history save three.

## Dr. Bright Will Speak On Ecology To AAUW

Placentia-Yorba Linda Branch of the American Association of University Women has announced that guest speaker for their February 4th meeting will be Dr. Donald B. Bright, Chairman of the Biology Department at Cal State Fullerton.

Dr. Bright will speak on "Two Sides to the Ecology Question," at 7:45 p.m. at Brookhaven School, 1851 Brookhaven Ave., Placentia. All members are encouraged to attend and to bring interested guests.

Legislative chairman, Mrs. Larry Pinson, is conducting a program designed to help concerned citizens contact their legislators regarding pollution control. With the cooperation of several local businessmen, branch members have displayed pictures showing ill effects of pollution. With the displays are pens, paper and envelopes addressed to various legislators. Mrs. Pinson hopes that people will feel enough concern to

## O.C. Flood Budgets Kraemer

Placentia was notified this week that the Orange County Flood Control District intends to budget approximately \$120,000 for the construction of the Kraemer Boulevard Storm Drain between the Carbon Creek Channel and the A.T. & S.F. railroad tracks.

This project is one of the most urgent priorities in order to permit development of lands north of the Santa Fe railroad tracks according to City Engineer Jerry Hendricks.

One of the difficulties with this project is that a drain must pass through the City of Anaheim between Orangethorpe and Crowther although the area being drained will lie entirely within the City of Placentia.

We hope to bring the latest thinking to bear on curriculum revision in the District with positive results for all concerned - students, teachers, administrators and patrons.

**The first Ralphs opened in 1873.**

Then back in 1930, one of the Ralphs worked on a good idea. Instead of selling over the counter, why not let people pick out the food they wanted themselves?

That way people would save time and money. And get more of a selection.

And that's how the first self-service supermarket chain in Los Angeles got started.

Of course, other people jumped on the bandwagon. Now there are more supermarkets than you — or Ralphs — care to think about.

And Mr. Ralphs' grandsons are still in on the changes that

really matter in supermarkets.

Take our new pricing policy:

No everyday supermarket prices are lower than Ralphs on identical brands or identical product quality.

Which means the lowest prices in town.

With this difference. Ralphs hasn't changed anything except prices.

We've still got Meat Master Meats. Our stores still stay open late hours.

We haven't cut back on service. In short, we didn't discount you when we lowered prices.

Which is our way of inviting you to celebrate Ralphs 98th anniversary.

## Hornets Edge Santa Ana 77-73

The Fullerton Junior College Basketball team ended first round play of the South Coast Conference by coming from behind to beat Santa Ana 77-73.

The win moved the Hornets conference mark to 6-0 and their overall record to 22-3 which should probably boost the team into the number one position in the state rankings this week.

The Dons played extremely good ball in the first half running a slow down offense until they found a good shot. It worked well as Chris May and lefty Jim Heim put in wide open shots to give Santa Ana

an early 10 point lead 33-23.

Fullerton fought back hard with Steve Chidley and Phil Carlile getting hot. The lead began to grow smaller.

The Hornets outscored S.A. 10-3 to come within one, 38-37 with 2:17 showing on the clock. Two Chidley buckets and a Bill Boyd lay-in highlighted the scoring burst.

Santa Ana player May was called for traveling, Charlie then continued his amazing play by tipping in one of his own missed shots to give the Hornets the lead for the first time, and a lead FJC never relinquished.

A unique play followed as Santa Ana was again called

for traveling with six seconds left in the half. This brought FJC coach Moe Radovich to his feet yelling to his players "six Seconds". Gary Berg responded with a 33 foot turn about jump shot at the buzzer to give the Hornets an important four point lead.

Fullerton extended the lead to eight points in the second half 48-40 but their margin shortened fast as SAC reeled off five straight points to come within 2, 51-49. Chidley then stole a pass and looped it to Aberegg for two points. Chidley passed again to Aberegg and he hit a 15 footer which was followed by a Berg jumper to regain the eight point lead.

A Don timeout and a few instructions by Coach Bill Oates (ex-Villa Park coach) helped as the FJC lead shortened to 3 with 8:58 to go in the game. After exchanging buckets and with 4:11 to play Boyd probably put in the key basket for the win. He missed three straight tip-ins and his fourth try swished in to make the lead three big ones 68-65.

Chidley later hit a 20 foot jump shot with 1:53 left to ice the game for Fullerton.

Rick Aberegg popped in 20 points, Chidley poured in 16 and Boyd slammed in 19, most off the passing game and from rebounds.

Saturday evening the team has a home engagement against Orange Coast.

## Valencia Faces Two Crucial Games After Victories Over Brea And Laguna

Valencia Tiger's Varsity basketball teams next two games are very crucial. The outcome of the two contests can either mean a CIF position or a fall to the second division in the Orange League for the first time this year.

Both games will be played in the Tiger den and the word is out come early or don't expect to get in to see Coach Bob Hamblin's Tiger quintet tangle the powerful, undefeated Sonora Raiders this Friday evening at 8 p.m.

Tuesday night promises not to be a typical drowsy 7 p.m. encounter because it is against cross-town rival El Dorado. Rick Garcia, Sergio Echevaria, Jerry Marmelejo, Ross McCrae and Craig Caldwell and the rest of the Tigers would surely like to run all over the Hawks to revenge an embarrassing defeat suffered in front of almost all the athletic fans in Placentia at ED's gym.

Last week the Bengals collected two victories to push the league mark to 4-2.

Three members of the Tigers tallied for 55 of the teams 65 points to lead them over Brea-Olinda 65-61 last Tuesday afternoon.

Marmelejo had his season high of 22, Echevaria followed with 20 and Garcia canned 13.

The Tigers started out in good fashion moving out to a nine point lead 16-7.

Brea rallied in the last quarter moving within two points with two minutes left in the game. Brea fouled and the Tigers poured in the charity tosses to keep the lead. Marmelejo's basket made the score 63-61 and

Garcia tallied two free throws to make the final score 65-61.

The Tigers, like they have most of the year, used the two platoon system against Laguna and it worked well as the second team was able to overtake a first quarter deficit 15-14 to lead at the half 31-23.

## Cal State Drops Two Games Over Weekend

The Cal State Titans basketball team had its ten game winning streak snapped last Friday evening by Cal Poly San Luis Obispo and started a new trend by losing the following evening to San Fernando Valley State.

The losses slipped the Titans into a third place tie with a 2-2 CCAA Mark and an overall record of 11-7. The defeats almost eliminate the Titans from finishing alone as Champion in the California Collegiate Athletic Association because they play in a five team league.

The two week lay off seemed to hurt the Titans. They shot 80 times making 27 shots against Cal Poly losing 99-82.

The Titans led at the half 41-40 but a second half scoring outburst put the

game out of Fullerton's reach in one of the team's worst losses of the year.

Art Jones collected 18 points being the top CSF scorer. Four other players hit in double figures, Tony Rodriguez 15, Tim Amberry and Mark Ramsey 12 and Edgar Cheltenham added 11.

Billy Jackson of Cal Poly led all scorers for the game having 29 points.

The Titans couldn't handle Valley State (co-leader with Cal Poly in the conference) losing 89-82.

The Matadors connected on easy lay ups and the Titans resorted to long jumpers but Fullerton went cold and the lead grew.

Roudriguez tallied 25, tops on the floor. Cheltenham and Jones each had 14.

CSF was tied 38-38 at the half.

## Troy Sneaks Past Lowell 68-66

The Troy Warriors, led by Center Greg Huysman's last minute heroics, sneaked past Lowell's Patriots 68-66 before a capacity crowd at Troy High Thursday night.

Huysman, pressing in the backcourt with less than a minute left and the score tied 66-66, intercepted a Lowell pass and streaked in for an easy lay-up. The game ended in a bizarre way as Huysman fouled the Pats' Rudy Dickenson as the buzzer sounded. The Warrior crowd poured out

onto the floor and it took the officials two minutes to decide that the game was indeed over.

The Warriors trailed by 10 midway through the final quarter and it looked as if the Troy two-game losing streak would continue. The winning rally began as Huysman converted two from the foul line, Mike Cannon hit one free throw and Huysman tipped in the other to cut the lead to five. Mickey Rabel and Mark Wulfemeyer combined for

two easy lay-ups to trim the margin to 1 before Lowell rattled off 3 points of their own. Huysman hit two free throws and Todd Allen made one to set the stage for Huysman's winning bucket. Allen was high-point man, hitting 20. Huysman and Wulfemeyer had 14 apiece and forward Mickey Rabel added 10.

Tuesday, the Warriors, without Wulfemeyer, lost to the lowly Fullerton Indians 70-66 in their worst game of the season. The Warriors are now 6-2 in the league.

Sonora dominated the heavier weights and pinned their last three Valencia opponents. Tiger scores came from Richard Samaniego (103), Rick Webber (112) Ken Sarkis (127), Larry Lopez (133), and Larry De Los Reyes (145). Ed Sauls (165) tied his Sonora opponent.

Saturday Valencia traveled to Fullerton Junior

## Registration Closing For Little League

Parents of all boys who expect to play Little League baseball this year are reminded that the last two days of registration are Thursday evening, February 4 from 7 to 9 p.m. and Saturday, February 6 from 10 a.m. to 2 p.m.

Registration is necessary in order to receive a tryout time and to assure assignment to a team. Parents are reminded that tryouts are mandatory for Major league assignments.

## Valencia Swimmers Await Tiger Invitational Meet

Saturday marks the date of the fourth annual Valencia Invitational Relays.

Schools competing in the event include Artesia, Buena Park, El Dorado, Kennedy, Long Beach, Miraleste, Servite, Sonora, and Valencia.

Tiger swimmers have a busy week ahead as they enter the CIF relays to be held on Tuesday and Friday

of next week. The first dual meet will be held Tuesday, February 16, when the Tigers host Downey at 3:15.

Valencia coach Jim Lock commented, "We have been preparing for this meet on Saturday for quite some time and I think the team is ready. I am very hopeful."

## VHS JV's Face Sonora In Contest

Valencia cagers will face Sonora this Friday in the second round of Orange League competition.

Junior varsity players will be hosting the Raiders at 6:30 while the frosh and soph teams travel to La Habra with the competition beginning at 3:15.

Coach Gary Jones' JV squad tasted victory twice last week as they romped over Brea, 68-20, and Laguna Beach, 60-48.

The sophomore team won some close ones as they nipped Brea 53-52. In Friday's bout with the Artists, the game went into three overtimes and the Tigers came out ahead, 49-44.

Freshmen cagers gave the fans another close one when it took them three extra minutes to slip by Laguna, 31-29.

## El Dorado Defeats Saddleback

El Dorado whipped Saddleback, 80-60, to start the second round of Orange League play this Friday night.

EDHS started slow in the Roadrunners gym as the Hawks kept Saddleback in the game by fouling too much. EDHS only led 38-33 at halftime.

However the third quarter proved decisive as the Varsity outscored the Roadrunners 23-11, and led 61-44. Bob DeWeese had an off night and still managed 16 points to lead the Hawk scorers.

Four other Hawks were in

double figures to give El Dorado the most balanced scoring effort of the season. Danny Visser, 14; Bill Willis, 12; Dorian DeJesus, 10; and Gary Burnett, 10, rounded out Hawk scoring.

Friday night El Dorado

will host Brea at 8 p.m. Yesterday the Hawks battled league leaders, Sonora and last Tuesday El Dorado hosted Laguna Beach. ED beat the Artists 79-61 as DeWeese scored 25 points.

## El Dorado Junior Varsity Meets Brea

El Dorado's Junior Varsity had won three straight games before hosting league leaders, Sonora, yesterday.

Coach Joe Walton's squad

has a 4-2 league record as they host Brea Friday night. Brea upset the Hawks once this year as the Wildcats beat El Dorado by nine points. To take league, EDHS must not lose another game while Sonora has to be upset twice.

Winning in overtime, El Dorado defeated Valencia 45-44. Then the Hawks ripped Laguna Beach and last Friday the JV's beat Saddleback, 59-56.

## Hawk Wrestlers Will Face VHS Tomorrow

Tomorrow night at 7 p.m. El Dorado's grapplers will host cross town rival, Valencia for the last dual match of the season.

Last week the Hawks won their first league meet by stomping Brea, 37-18. Steve Hyams, Danny Mann, John Gorham, Jack Murphy, and Don Mann all won with pins. Tom Smith, 5-1; Bill Wunderlich, 4-0; Paul Copper, 6-3; and Don Lussier, 5-2; won by decisions.

With only one pin, the Junior Varsity smashed the Wildcats 39-17. 98 pounder Mike Fleming was the Hawk to pin as Chris Ayer, Jeff Vail, Rick Palmer, and Joe Varada won with decisions. Greg Swanson,

Tim Wallstrom, Pat Dutzi, and Henery Augenstein won by forfeits.

After the Valencia match the Hawks will go to league finals. Steve Hyams, Jeff Johnson, Danny Mann and Don Mann are strong contenders to take league and go to CIF.

Student Loan Program

(affiliated schools throughout the nation)

Helping Lloyd Reyes, 12, with his arithmetic skills is Bob Gill, one of 46 students from California State College, Fullerton volunteering in the Titan Tutorial Program. Lloyd, a sixth grade student from Atwood's Van Buren Elementary School, is one of the more than 100 students from Placentia, Anaheim and Atwood being tutored by the Cal State students.

## Cal State Tutorial Program Working With Local Children

With advanced college textbooks in one arm, and a third grade reader in another, students at California State College, Fullerton are supplementing their own education by volunteering as tutors for area grade school children.

The students, 46 in all, have been organized by the Cal State Titan Tutorial Program to lend a helping hand to more than 100 grade school children attending schools in Anaheim, Placentia and Atwood.

The Titan Tutorial Program is in its second year of reaching out to grade school students to help improve their basic skills in reading, writing and arithmetic.

The tutors donate from five to 15 hours a week working in this program. Some receive college credit for their work.

The program is sponsored by the Associated Students, and allotted \$1,400 from student funds to help cover the costs of supplies.

Director of the program is Paul Hart, a 21-year-old senior from Tustin.

Most of the tutors work as teacher's assistants at Anaheim's Jefferson and Washington Schools, and at McFadden School in Placentia. In this capacity, the students assist teachers by working with small groups of children.

Another group of tutors regularly visit the Orange County Probation Department to work with a dozen teenagers there.

A fifth group concentrates its efforts in the Atwood area, meeting with youngsters one night a week at the Calvary Church. Since these sessions are held outside of the regular school day, the tutors must first pick up their students at their homes and take them to the church, where a two-hour session is split between academics and art.

The students are recommended by Van Buren School officials.

A tutor and his student meet for the first time without books, and focus their attention on becoming acquainted with each other, Hart said. Once the initial gap is bridged, the tutors move ahead in assisting the students.

The student budget doesn't allow the purchase of all the needed materials, Hart said. Book donations have come from the Placentia Unified School District to help relieve the shortage, he said.

"The tutors offer guides when the students do their homework. We don't do it for them," Hart emphasized. "We are more of a motivating force in the child's education."

## Troy High School Sets Parents Night Tomorrow

A parent night at Troy in the lecture hall has been scheduled for February 4 at 7:30 p.m. Parents of all incoming freshmen are invited to attend.

## Breakfast Set For Tomorrow

Letters are being mailed to all Placentia businessmen inviting them to attend the Mayor's Breakfast meeting on Thursday, February 4, at 7:30 a.m. in the Backs Community Building, 201 North Bradford Avenue. All local merchants are urged to attend this meeting which will last approximately one hour.

Coffee and doughnuts will be furnished by the City.

Assistant principal John Seeland will discuss registration procedures in order that parents may help students make wise choices. His talk will include an explanation of the school's modular schedule, an overview of the school as a whole, and how students are counseled.

As a final step in this comprehensive orientation plan, beginning in April parents will be invited to visit Troy during the school day to become acquainted with the campus operation. Each home will receive a telephoned invitation.

Members of the Ladera Vista PTA under the direction of president Mrs. John Mossar, and Yorba Linda Junior High PTA led by president Mrs. William Taylor, have volunteered to do the telephoning.

## Catholics And Presbyterians Exchange Pastors Recently

There is a fence between St. Joseph's Catholic Church, and Placentia Presbyterian Church which has for so long been the case between Roman Catholics and Protestants historically. But there is something new, a gate in that fence, and for several years now, in Placentia, it has been opening traffic both ways.

St. Joseph's and Presbyterian have let each other use their facilities for years now, but last Sunday a new and deeper sharing occurred. They traded pastors for an hour. At 9:30 in the Presbyterian Church members of the Roman Catholic-Protestant Dialogue group which has been meeting together for eight weeks now, brought the message from the pulpit.

At 9 a.m. Mass at St. Joseph's Reverend Stanley Jones delivered some remarks from the pulpit, after reading the Scripture lessons for the day.

Then, at 11 a.m. service at Presbyterian, Fr. Norman Supancheck delivered the sermon, followed by questions from the congregation. Both congregations visited each other as well, there being at least 40 from St. Joseph's at the Presbyterian service at 11 a.m.

Informal receptions were held at both churches following services, and a spirit of gladness was evident. The joy underscored the unofficial theme of the day, a part of Jesus' last prayer with his disciples: "I pray, Father, that they may all be one, so that the world may know that You have sent me."

## Groundbreaking Held For Evangelical Church

Ground was broken for the new Evangelical Free Church at the church's

property on Richfield Road in Yorba Linda, Sunday, January 24.

Chris Jones, representing the young people of the Evangelical Free Church, breaks ground at a service held recently on the church's property on Richfield Road in Yorba Linda. Among those present were, from left, Yorba Linda Mayor George Machado and Pastor Paul Cedar.

Among those participating in the service were the Rev. Paul Cedar, pastor; Robert Sizemore, building committee chairman; Dr. George Giacomakis, elder; Dewain Wilcox, church chairman; Chris Jones, youth group president; Dr. Willard Hawkins, trustee board chairman; and Mrs. Melva Wilcox, S.M.S. chairman.

Also participating as special guests were George Machado, Mayor of Yorba Linda, Eugene Lundstrom representing the Southwest District of the Evangelical Free Church of America; G.L. Lewis, architect; Sam Listi, space use management; and Eric Taylor, Eric Taylor and Company.

The church began as a

Bible study group meeting in a home in 1968. In January of 1969, the church was incorporated. Now serving a constituency of 175, the congregation presently holds its services in the Backs Community Building, 201 North Bradford in Placentia.

Actual construction of the \$120,000 first unit of the master building plan is slated to begin about March 1. The church is currently involved in the sale of one hundred thousand dollars of church bonds available in dimensions of \$100, \$250, and \$500 paying interest of seven to eight per cent. Additional information regarding the church or the bonds may be obtained without obligation by calling 524-1744 or 524-9417.

# Troy Students To Join In Unique Counseling

Counselors at Troy High School have added 50 part time assistants to their staff at no cost to the taxpayer, according to assistant principal John Seeland.

The new aides are Troy students taking part in a unique effort to help the school's incoming freshman class bridge the gap between junior and senior high schools.

Walter Buster, one of the two Troy counselors responsible for the large scale orientation program, observed, "We are trying to overcome the difficulty of six counselors and nearly 2500 students. Obviously, there are not enough of us to counsel and answer questions of our present student body adequately. With approximately 350 students enrolling from Ladera Vista Junior High school and 250 from Yorba Linda Junior High, we wondered how we could establish individual contact with them."

The answer, to Buster and Mrs. Margaret Elliott, another Troy counselor, was to enlist the aid of students already enrolled at Troy.

Fifty students have volunteered to use their unscheduled time - thanks to Troy's modular schedule - to counsel with the September 1971 freshman class.

The volunteer counselors have undergone several training sessions with members of the staff. Not only have they mastered the

intricacies of registering students, but they have spent time learning group discussion techniques and playing various roles to make them aware of freshmen problems and behavior.

Kickoff for the orientation schedule, was a student assembly at Ladera Vista and Yorba Linda Junior High Schools. Arranged by student activities chairmen Karen Lowe and Susan Cothren, the presentation featured various Troy musical groups, cheerleaders, the drill team and Square Dance Club. Talks by Buster, Mrs. Elliott and Associated Student Body president Mark Goodfriend were also part of the assembly.

In a program jointly arranged between Andrew Clay, principal of Ladera Vista, Mrs. Shirley Bolie, assistant principal, Harold Hester, principal of Yorba Linda Junior High, and the Troy counselors, discussion leaders from Troy will work in pairs once a week with groups of 12 to 15 students at each of the two feeder schools.

Over the next several weeks Troy students will answer questions; register the new students; discuss teachers, courses, campus activities and anything else of interest to their groups. All Troy counselors will be present at each session.
